## INVITATION

João Pessoa, Paraíba – Brazil

October 08th, 2020.

“

“A man who becomes conscious of the responsibility he bears toward a human being who affectionately waits for him, or to an unfinished work, will never be able to throw away his life. He knows the "why" for his existence, and will be able to bear almost any "how"”.

*Viktor Frankl*

The Brazilian Association of Logotherapy and Existential Analysis (ABLAE) is pleased to invite you to participate as a listener in the **X Brazilian Congress of Logotherapy and Existential Analysis (CBLAE)**, whose topic will be “LOVE, SUFFERING AND ART: franklian legacy for contemporaneity”.
